Late Shri Rajiv Agarwal

**“Some lights never fade, they keep glowing in the heart they touched.”**

## **A Glorious Tribute to Late Shri Rajiv Agarwal Ji**

As we celebrate our **Founder's Day** with the theme **“Local to Global”**, our hearts turn with deep reverence to the man who sowed the very first seeds of this great institution—Late Shri Rajiv Agarwal Ji. His dream, dedication, and determination gave rise to School by the Name Delhi Public School in 2003, an institution that continues to carry forward his noble vision of nurturing young minds for a brighter tomorrow.

Shri Rajiv Agarwal Ji was a man of few words but of great wisdom. A humble visionary, he began his journey in education by establishing the first NIIT Centre in Moradabad, bringing the torch of technology and learning to countless students. With strong roots in reputed schools and colleges, his academic background and belief in holistic education became the pillars upon which Krypton Public School (New Name) was built.

**A great Visionary Behind  
Krypton Public School**

He dreamed not just of a school, But a temple of values and light, Where knowledge would bloom and hearts would shine bright.

Though he is no longer with us in person, his spirit continues to live and guide us. Today, under the devoted stewardship of his wife, **Mrs Indu Agarwal**, who is a respected member of the school's management committee, his legacy is not only preserved—it is thriving. **The management committee, comprising Dr S.K Singhal, Shri A.K Gupta, Dr Anand Agarwal, Ms Indu Agarwal, and Mr Pawan Jain**, work hand in hand with the staff to uphold the ideals he cherished.

## Voices from the Management

Celebrating Vision. Nurturing Growth. From Local Wisdom to Global Perspective.

### Dr. S.K. SINGHAL

### **Rooted in Vision, Rising with Purpose**

On this Founder's Day, we reflect on the extraordinary vision of our founder, Late Shri Rajiv Agarwal Ji. A true visionary, he planted the seed of an institution that has grown into a nurturing ground for knowledge, values, and global competence.

This year's theme, "**Local to Global**," is a tribute to our journey—from humble beginnings to a future without boundaries. May this magazine serve as both a record of our progress and a beacon of inspiration for the path ahead. We are proud to see our students carry local values into the global arena with grace and confidence

### **Shri A.K Gupta –**

Every year, Founder's Day reminds us of the deep roots from which we draw strength and the skyward aspirations that guide us forward.

"**Local to Global**" is not just a theme—it is the very ethos of our school. This magazine beautifully reflects how our students honour their heritage while embracing the world beyond. May their thoughts, creativity, and dreams continue to inspire and uplift.

## Voices from the Management

Celebrating Vision. Nurturing Growth. From Local Wisdom to Global Perspective.

### Mrs. Indu Agarwal

**A Symphony of Cultures and Currents** As we commemorate our Founder's Day, we celebrate not only a legacy but also a philosophy—one that blends rootedness with openness, tradition with innovation, the local with the global.

This edition of our school magazine stands as a living document of this evolving philosophy. From the colourful expressions of our students to the meaningful reflections of our educators, every page echoes the harmony between where we come from and where we are going. Congratulations to all contributors for capturing this spirit so eloquently.

### Mr. Pawan Jain

**An Investment in Values, A Return in Vision**

Education is one of the most valuable investments a society can make—and it yields the richest returns when built on a foundation of values.

**“Local to Global”** is a fitting tribute to that belief. This magazine encapsulates the heart of our mission: to raise young individuals who are proud of their roots and ready for the world. It is a proud moment for all of us to witness this journey unfold through the vibrant contributions in these pages.

### Dr. Anand Agarwal

**Bridging Distances, Building Dreams**

A strong institution bridges the gap between what is known and what is possible. Our school has always encouraged students to explore the wider world while remaining connected to their heritage.

This Founder's Day theme, **“Local to Global,”** expresses the spirit of balance that defines us. This magazine is a reflection of that spirit—a mosaic of diverse voices, creative insights, and thoughtful expressions. I congratulate the entire school community on this effort and urge each reader to carry forward the vision with passion and purpose.

## Vision & Voice of the Principal

It gives me immense pleasure to present before you this exclusive edition of our school magazine, released on the momentous occasion of **22<sup>nd</sup> Founder's Day on 22<sup>nd</sup> April, 2025**. The day that holds deep significance for every member of the Krypton family.

The theme "**Local to Global**" beautifully captures our vision of nurturing roots that are deeply grounded in our cultural heritage, while aspiring for a global outlook. At Krypton Public School, we take pride in fostering young minds who are aware of their local identities yet prepared to embrace global challenges with confidence and integrity.

I invite all our readers to journey through these enriching pages and witness how the local spirit of Krypton is blossoming into a global perspective.

**Wishing you a wonderful and insightful reading experience ahead!**

# Editor's Reflection

With great pride and immense joy, we present to you this special Founder's Day edition of our school magazine, "From Local to Global: A Legacy in Motion." This issue is not merely a collection of words and visuals; it is a celebration of our journey—rooted deeply in our heritage yet reaching out ambitiously to the horizons beyond.

The theme "Local to Global" resonates profoundly with the vision of our one of beloved Founder, Late Shri Rajiv Agarwal Ji, who believed in nurturing young minds with a strong sense of identity and an open embrace of the world. As our school grows from strength to strength, so do our students—emerging as confident, compassionate, and globally aware individuals who carry their local values into global spaces.

Within these pages, you will find the vibrant voices and actions of our students and faculty—through articles, poetry, artwork, and photographs—that reflect this dynamic blend of the traditional and the modern, the known and the unknown, the local and the universal. From heartfelt reflections on community and culture to imaginative forays into global issues, this magazine captures the very essence of a learning environment that honours its roots while aspiring for the skies.

We are deeply grateful to our Principal, teachers, alumni, and students whose contributions have made this publication not only possible but truly meaningful. Let this magazine stand as a testimony to our collective journey—one that begins with a single step in familiar soil and stretches confidently toward the vast and inspiring world beyond.

## Moradabad – The Golden Glow of India's Handicraft Legacy

### (A True Testament to the Journey from Local to Global)

---

Nestled in the heart of Uttar Pradesh, Moradabad, fondly known as the Brass City of India, is a shining example of how indigenous talent and traditional craftsmanship can transcend boundaries and become a part of the global narrative. What began as a local cluster of artisans centuries ago has now flourished into an internationally acclaimed hub of handicrafts and metal artistry, truly embodying the spirit of our magazine's theme — **Local to Global**.

Moradabad's artisans, with their unmatched skill in crafting brassware, aluminium, glass, wood, and iron handicrafts, have placed the city on the global map. From intricately carved candle stands to contemporary décor pieces, Moradabad's products are proudly displayed in homes and galleries across the world, reaching countries like the United States, Europe, the Middle East, and Australia. The establishment of a Special Economic Zone (SEZ) for handicrafts has further streamlined export processes, showcasing how local craftsmanship can thrive when given global infrastructure and vision.

**Yet, what makes this journey even more inspiring is the new wave of young entrepreneurs who are redefining the industry. With great pride, we share that many of our own students are now at the forefront of this transformation, carrying forward the legacy of their ancestors into new territories. They are blending tradition with technology, artistry with innovation, and giving local talent a global stage.**

Their ventures—ranging from export businesses to online artisan platforms—are not only driving economic growth but are also promoting Indian culture worldwide. It is heartening to witness how these young minds are leading a silent revolution, rooted deeply in heritage yet soaring into the future, a perfect manifestation of Local to Global.

Our students, with their visionary zeal, have earned global recognition for entrepreneurship, creativity, and craftsmanship. Their success stories are not just inspiring, but also affirm the power of education, community values, and cultural pride. They are creating harmony and prosperity, and proving that the legacy of Moradabad is not a thing of the past—it is a vibrant, evolving force.

**Moradabad's journey from a traditional brass town to a global export powerhouse tells us that when local hands are guided by global dreams, the results are magical. It stands today as a symbol of how local industries, nurtured with skill, vision, and dedication, can shine on the world stage — a perfect embodiment of our theme.**

The background of the page features a warm, earthy color palette of tan and beige. On the left side, there are stylized line drawings of leaves and branches. On the right side, there are two four-pointed star shapes. The title is centered in a bold, dark brown font.

## **From Local Roots to Global Heights: Our Pride, Our Alumni**

At Krypton Public School we believe that the true measure of an institution lies in the legacy its students carry forward. Our exceptional alumni have continually proven this belief—by making their mark across diverse fields, from science to business, arts to innovation, and public service to entrepreneurship. Each success story is a testament to their resilience, values, and the strong foundation laid during their school years. They have not only carved out paths of excellence but have become shining examples for the generations to come. Their journeys from local classrooms to global platforms inspire us, uplift us, and remind us of the limitless potential within every student. In this special edition, we take immense pride in reconnecting with our trailblazing alumni. Their heartfelt messages featured here serve as guiding lights—urging the youth to dream bigger, work harder, and carry the school's legacy forward with pride. As they continue to spread their wings across the globe, we stand tall with gratitude, honour, and pride—knowing that their roots will always be anchored in Krypton Public School.

# Our Alumni Standing Proud And Tall

*“Saubaan Rehman batch (2020-21) , the youngest exporter in our midst, is not just carrying forward a proud family legacy—he is redefining it. With vision beyond his years and unwavering dedication, he has taken the world of exports to the heights. His achievements have not only brought honour to his family but have also made our school immensely proud. He is living proof that age is no bar when passion leads the way.”*

## Vishwas Katyal

My school years were some of the most enriching and foundational moments of my life. From building lifelong friendships to learning values that continue to guide me, I'm grateful for every part of the journey.

After school, I joined SpiceJet as a cabin crew member and worked there from 2018 to 2022. During this time, I was trained on Boeing 737 aircraft and recognized for excellence in customer service, even being awarded 'Crew Member of the Month' three times.

Currently, I am the proud owner of a Burger Singh franchise, which I've been successfully operating for the past three years. Our outlet was featured on the Hotstar series Brands of Tomorrow, Season 3, Episode 11 — a proud moment that highlighted our journey and commitment to quality and innovation.

Warm regards,  
Vishwas Katyal

It gives me immense pleasure to reconnect with my alma mater, KPS Moradabad, through this magazine. Reflecting on my time at KPS brings back countless fond memories. Those were some of the most formative years of my life — not only were they filled with fun and excitement, but they also laid the foundation for my personal and intellectual growth. I am truly grateful for the guidance and encouragement. Currently, I am working as a Store Leader at Walmart in Toronto, Canada. I am also proud to lead a team of over 20 associates, working together to ensure efficient and customer-focused service.

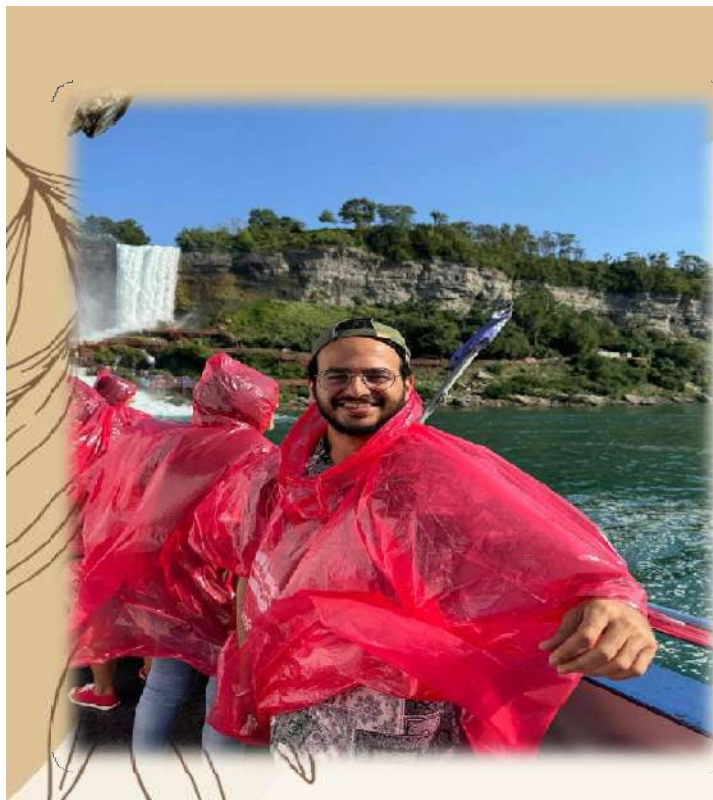

**Yash Kukreja!**

Today, as I serve as the Management Executive Head at a global company associated with **Black Brix**, a name that echoes across continents. I often find myself drawing strength from the values this school instilled in me: perseverance, creativity, humility, and grace.

Success may take you places, but roots keep you grounded. And mine trace back to this nurturing institution that gave me the wings to fly. I carry its name with pride and gratitude, and I dedicate every milestone to the foundation it built in me.

To all current students — dream fearlessly, work diligently, and never forget where you started. The journey from local to global begins in the heart of your school.

# Once With Us, Forever Our Pride!

"Some journeys begin with grand plans. Mine began with morning assemblies, laughter between classes, and lessons that went far beyond textbooks. DPS Moradabad gave me the courage to dream and the strength to chase those dreams. No matter where life takes you, carry your roots with pride — they will always guide you home."

Vachi Vidyarthi

My time at Krypton Public School laid the foundation for everything I've achieved. I fondly remember the supportive teachers and the vibrant atmosphere that encouraged us to dream big. To the current students, I would say embrace every opportunity to learn and grow, for the journey from local roots can indeed lead to a global impact.

## Parent's Corner

My daughter Tamanna Fatima is a student of Krypton Public School, Moradabad. It has been more than 5 years since we got her admitted in this school and so far our experience has

been excellent. The best thing we like about Krypton Public School is that, they don't only focus on the academics. There are so many extra curricular activities and competitions going on round the year which helps in overall development of the child which is critical in today's competitive world. Dr Sana Zaidi

As a parent, I am truly delighted to express my heartfelt appreciation for Krypton Public School which stands as a beacon of excellence in education and holistic development. The school's state-of-the-art

campus promotes creativity, learning, and growth. Well maintained classrooms with projectors and laboratories makes studies more practical. The eco-friendly environment nurtures a sense of responsibility among students toward nature and creates an inspiring atmosphere for intellectual and personal growth. The teachers here have passion, commitment and innovative teaching methods. I extend my sincere gratitude to the school management and staff for their tireless efforts in shaping young minds and contributing to the betterment of society. It is a privilege to be associated with such an exceptional institution. Warm regards,

Dr. Ankita Tyagi
